

The Royal Albany Bicycle Reserve

March 2010

These trails are designed for one-way traffic in one continuous loop, please follow the markers where installed, and bypass trails where marked (it's a work in progress). Please respect the generosity of Massey University by leaving no litter and keeping to the trails. Leave gates shut. Trail maintenance and building takes place 2nd Sunday each month, 10.00 am at the repeater. Txt 027 55 77 119 if you'd like to help.
